PROFILE

I am a student passionate about Graphic Design with the ability to proficiently use design software such as Adobe Photoshop, Illustrator and InDesign. I gained valuable experience through practice in different design disciplines, where I honed my design, teamwork and time management skills. I am always looking forward to applying my knowledge and skills to real projects while continuously learning and improving my expertise.

WORK EXPERIENCE

- Teaching Art Painting To Children** 2024 - PRESENT
 - Having been active for more than 6 months with a local private painting class, activities revolve around basic fine arts from 6 to 13 years old .
 - Organizing art workshops, pottery making, holiday decoration activities from the classroom .
 - Improving artistic thinking, color for children .
- Motorcycle Stamp Design** 2022
 - Participated in and won the third prize of Honda's VARIO 160 motorcycle stamp design contest organized to create a new model on the market.
 - The " ASCVC " contest had more than 100 teams participating, and the huge prize was more than 300 million VND sponsored by Honda, and we achieved it by our own design
- Photography And Videography** 2017 - PRESENT
 - Passionate about photography, socializing with groups, community clubs about photography, having an eye for color composition monitor and maintain brand consistency across all marketing channels and materials.
 - Responsible for photography and communications for FPT High School, Da Nang branch for all 3 school years.
